A couple of important notes:

- 1. Payment plans require a linked U.S. bank account.**
- 2. The linked account can be an electronic check (e-check) which is either a checking or savings account (no service fee) OR a credit card or debit card (a 2.95% service fee will be charged as a separate transaction).**
- 3. The payments are auto drafted (taken automatically) on the 20th of the month from the linked account. The payment due date cannot be changed.**
