

Seattle University
2021-22 Graduate Business Certificate in Leadership Formation

This Certificate in Leadership Formation is designed to enhance practical leadership skills to support successful personal encounters in the workplace, in the civic forum, in the volunteer community, and in the home. The content and experiential development of effective leadership behaviors will produce professionals who can lead effectively and motivate at all levels and in all directions in an organization, thereby supporting a culture of shared commitment, mutual support, and productive symbiosis – a culture that attracts, retains, and motivates highly skilled and creative talent.

Within the certificate you can expect to

- develop tangible skills and knowledge unique from other graduate business courses
- engage in meaningful leadership experiences that can grow you internally and differentiate you externally
- leave with a more holistic picture of what it means to be a leader
- gain insight in how to build and lead real teams for greater success
- generate self-awareness needed to succeed in your current and future leadership roles and tools needed for you to help others to succeed
