

DEGREE REQUIREMENTS

Credits: minimum of 180 credits
Credits in major: 137
GPA cumulative minimum: 2.75
GPA major minimum: 3.0

CURRICULUM NOTES

- Major prerequisite courses for all BSN nursing students must be completed before the nursing course sequence begins (Winter quarter of sophomore year).
- Students must earn a C (2.0) or better in all nursing and prerequisite courses.
- Students are expected to be available the first day of the quarter through the last day of finals week.
- Clinical placements will be made by the undergraduate clinical placement team.

For complete information on courses, pre-requisites, etc., use this information in conjunction with the online Catalog (<http://catalog.seattleu.edu/>) for the current year. The example below assumes you have completed no degree requirements. Your personal program of study may vary due to prior educational experience or individual goals.

^P Indicates prerequisite courses used in calculating your nursing major pre-requisite GPA.
