GRADUATING? LET'S TALK LOAN REPAYMENT!!

Graduating is a BIG deal, but repaying your loans doesn't have to be. Repaying your student loans is an important step in establishing your **credit history**. For most students, repayment begins **6 months after graduation**. It is important to manage your loan(s) and payment carefully.

LOOKING TO EARN MONEY THIS SUMMER?

Student Employment is a great way to earn money as well as gain skills and experience for a variety of career paths – and all students are eligible for on-campus jobs. There are many summer employment opportunities available both on and off campus. Schedule an appointment with a Career Coach in the Career Engagement Office for help with your job search. And check out **Handshake** for a list of openings and find your summer job today!
