

CONDITIONS OF AWARD and STUDENT RESPONSIBILITIES for FINANCIAL AID

**-- FOR INFORMATIONAL PURPOSES ONLY --
STUDENTS MUST ACCEPT THESE CONDITIONS BY LOGGING ON TO MYSEATTLEU**

I understand, acknowledge, and agree that:

- Financial aid funds may be used only to pay educational expenses I incur as a student at Seattle University (SU).
- I am not eligible to receive federal financial aid if I owe a repayment on a federal grant or am in default on a federal loan. In addition, I may not receive state funding if I owe a repayment on a state or federal grant, or I am in default on a state or federal loan. My acceptance indicates that these conditions do not apply.
- To receive financial aid, I must make satisfactory progress toward my degree as explained in the University's [Satisfactory Academic Progress](#) (SAP) policy which is available on the Student Financial Services (SFS) website.
- I am responsible for repayment of all, or part of the financial aid disbursed to my student account or to me should I fail to begin attendance, cancel all or part of my enrollment or cease to be eligible for the aid I was awarded. The amount I will be required to repay will be calculated in accordance with applicable federal, state and/or institutional regulations and policies.
- If I am awarded aid, I must advise SFS of any change in my financial status and of any resources that become available to me during the period of my award. Changes in my financial status or additional resources may result in a revision of my financial aid award.
- If I am awarded institutional scholarships and grants, I am required to be enrolled full-time during the academic year, not including summer. I can receive institutional aid in equal amounts during the quarters in which I am enrolled. If I were to graduate early, I would only be eligible to receive the quarterly disbursement, which means that I cannot receive more than 1/3 of the total award in any given quarter.
- My financial aid will not be available to pay any required advance deposits such as my enrollment and housing deposits. I will pay for these personally.

- The types and amounts of financial aid that I receive may be adjusted based on my enrollment level, changes in the level of available funds and/or if there is a break in my enrollment other than summer quarter. I must notify SFS about any quarter in which I enroll for fewer credits than indicated on the Enrollment Status line of my award letter. I am responsible for unpaid charges that result when my aid is reduced based on my reduced enrollment, as well as for any late fees incurred.
- If my financial aid award includes a Sullivan Leadership Award, Fostering Scholar Award, SU ROTC funding, SU Bound/Costco Scholarship (beginning Fall 2024) or any other type of SU housing allowance, I am required to live on campus.
- If I am awarded any form of athletic aid, the award is contingent upon my full participation as a member of an intercollegiate athletic team at SU *and* meeting all eligibility requirements for receiving these funds.
- If I decline any of the financial aid offered it may not be possible to reinstate this aid at a future date.
- If funds are insufficient to meet the needs of all students who apply, SU and the State of Washington reserve the right, in accordance with applicable state and federal funding guidelines, to reduce, cancel or modify my awards.
- I will keep the University informed of my permanent and local mailing address through MySeattleU
- I am responsible for checking my SU e-mail account on a regular basis. I am responsible for prompt replies to requests for information or documents and my failure to meet this responsibility may result in a delay or cancellation of my financial aid.
- Before funds sent to SU in the form of a check that includes my name can be disbursed to me or my student account, I must sign the check at the SFS Office. I will be notified at my SU e-mail address if I need to come to the SFS office to endorse a check.
- My SU aid may be canceled by SFS if I do not follow the standards of conduct as set out in *the [Seattle University Student Handbook](#)*.
- WA College Grant/College Bound students eligible for SU Bound must maintain state eligibility to continue receiving SU Bound.
- If I am an **undergraduate** student, SU considers me to be enrolled:
 - full-time at 12 credits per quarter,
 - three-quarter time at 9 to 11 credits per quarter, and
 - half-time at 6 to 8 credits per quarter.

- If I am a **graduate** student, SU considers me to be enrolled:
 - full-time at 6 credits per quarter, and
 - half-time at 3 credits per quarter.
 - Full-time for Doctoral Program in Education Leadership is defined in FT-PT Student Status [Policy 77-5](#).

Enrollment Status	Undergraduate Students	Graduate Students
Full-time	12 credits minimum 15 credits strongly recommended	6 credits per quarter
Three-quarter-time	9 credits per quarter	4 or 5 credits per quarter
Half-time	6 credits per quarter	3 credits per quarter
Less Than Half-time	The # of credits for which you enroll	The # of credits for which you enroll

- If I am an **incoming freshman**, institutional gift aid is available to me for a maximum of four years (12 quarters, is not available during summer) and covers one degree with one major.
- If I am an **undergraduate transfer student**, institutional gift aid is available as follows:
 - admitted with *more than 45 credits* institutional gift aid guaranteed for up to three years (9 quarters)
 - admitted with *fewer than 45 credits* institutional gift aid guaranteed for up to 4 years (12 quarters)
- I must be enrolled full-time to receive institutional funds and other full-time aid. I acknowledge that "regular" full-time enrollment for undergraduate students is 15 credits per quarter that enables freshmen to graduate in four years (12 quarters), transfer sophomores to graduate in three years (nine quarters), transfer juniors to graduate in two years (six quarters) and transfer seniors to graduate in one year (three quarters).
- I acknowledge that "regular" full-time enrollment for graduate students varies by program.
- Generally, the level of your institutional gift aid at SU is guaranteed during this period of institutional gift aid eligibility as long as you maintain continuous enrollment and SAP.

AUTHORIZATION

I authorize SU to apply institutional, private, federal and/or state financial aid to charges at SU including but not limited to tuition, matriculation fees, lab fees, parking permit, parking tickets, library fines, residence hall damages, room and board, including minor unpaid prior year charges unless I revoke this authority in writing as explained in the following paragraph.

I understand that I have the right to revoke the authorization above and have federal aid pay only tuition, fees, and on-campus room and board with the balance disbursed to me. Also, I may revoke authorization for Washington College Grant or other state funds to be applied to my student account. If I choose to limit the use of my student financial aid in this way, I am responsible for any resulting unpaid balance due to SU. I will notify SFS in writing at the beginning of each quarter I wish to limit application of aid to my student account.

If I am selected to receive an SU scholarship, I authorize SU to share information about me with the donors or their representatives. I will advise SFS if I choose not to be considered for a scholarship for which information is shared.

I understand that my financial aid awards are subject to these conditions and instructions, as well as those outlined on the SFS web pages and in the SU [Undergraduate or Graduate Catalog](#).
