PAYMENT PLAN E: EMPLOYER TUITION REIMBURSEMENT DEFERRED PAYMENT PLAN

Each quarter's charges must be paid in full, or payment arrangements made, no later than the due date. All charges on the quarterly SU student account invoice are due on the following dates or 14 days after registration, whichever is later:

Summer Quarter: June 20	Fall Quarter: September 20
Winter Quarter: December 20	Spring Quarter: March 20

This is a quarterly plan for students who will be reimbursed by their employer for some or all of their tuition costs after they complete their coursework. The plan allows students to defer full or partial payment of tuition and fees based on documented assurance from the student's employer that a specific amount will be paid to the student who will immediately make payment to the University. The employer may not be the student's or student's parent-owned business. This plan extends the payment due date for tuition and associated fees to 30 calendar days after grades are officially posted. **The plan must be renewed each quarter the student would like to participate. It is the student's responsibility to ensure that payment is made by the assigned due date even if reimbursement from the employer is delayed or withheld.**

The completed application form must be accompanied by:

1. A **$50 non-refundable enrollment fee**, paid by check or via SU Online, and
2. An original letter, on the employer's company letterhead, specifying the terms of reimbursement.

The completed application and $50 payment must be received no later than the student's tuition due date each quarter as given above. Be sure to provide ALL the information requested below. An incomplete application may cause the student to be responsible for late fees and/or reasonable collection fees.

This application is for (**check only one box**): ☐ Summer 2025   ☐ Fall 2025   ☐ Winter 2026   ☐ Spring 2026

- **I am fully responsible for full payment of all tuition and fees by the indicated due date regardless of whether or not I receive payment from my employer. - The University may contact my employer to determine if I am still eligible for tuition reimbursement.

I further authorize Seattle University to charge and collect a 2.95% fee when processing this credit card payment.

Further, I understand that this is a temporary extension of credit and constitutes an educational loan with Seattle University that may not be discharged under the provisions of federal bankruptcy law (specifically, the U.S. Bankruptcy Code, as it may be amended from time to time).
