CRIME & JUSTICE ADVISORY COMMITTEE

2025 Annual Report

Advisory Committee Overview

The Seattle University Crime & Justice Advisory Committee, now in its 22nd year, works with the *Department of Criminal Justice, Criminology & Forensics* through our *Crime & Justice Research Center* to develop collaborative initiatives including research, internships, practicum courses, continuing education, and public events. Agencies on the committee and representative committee members help our students succeed in professional career advancement.

SUMMARY OF LAST YEAR'S MEETINGS

In our 2024 annual luncheon we posed the question - *How can we enhance support for our demographically diverse student body to prepare them to enter careers in criminal justice, criminology, and forensics?* We discussed professional advice that advisory committee members could share with our students, how agencies support diversity in new recruits to create cultural change, and how our department can best assist students in transitioning from academic study to their careers. The **2024 Innovation in Criminal Justice Education Award** went to **Bonnie Glenn**, Interim Director, Seattle Office of Professional Accountability. The **2024 Distinguished Alumni Award** went to **James Kim**, MACJ '10, Sergeant, Seattle Police Department. At our mid-year meeting, Felicia Cross and her colleagues from the WA State Office of Independent Investigations presented the work they are doing in OII.

EXPERIENTIAL LEARNING

We recognize that the academic discipline of criminal justice, criminology, and forensics cannot be taught in the “ivory tower.” Collaboration with our Crime & Justice Advisory Committee makes it possible to offer students out-of-classroom experiential learning opportunities through Crime & Justice Research Center collaborations, practicum courses, research analyst/assistantships, CJ Honor Society and Club events, and classroom field visits. In 2024-25, students visited the **WA DSHS Special Commitment Center in McNeil Island, WA DOC Monroe Correctional Complex/Twin Rivers**, met with formerly incarcerated from **The IF Project**, toured the **King County Medical Examiner’s Office**, participated in the **One Seattle Day of Service in Rainier Beach**, and participated in a **Restorative Community-Police Dialogue Circle with Seattle Police**.
