SEATTLE  
UNIVERSITY  
COMMENCEMENT

# CONGRATULATIONS TO THE GRADUATES OF THE CLASS OF 2025

*Dear Members of Seattle University's Class of 2025,*

*Congratulations!*

*Today is the culmination of a great deal of hard work and perseverance. You undertook and completed a rigorous academic program delivered by an excellent and demanding faculty. You challenged yourselves, explored the tensions and brokenness in the world around you, and engaged with others across differences. You opened yourselves to the transformative potential of a Jesuit education and began to envision your role in building a more just and humane society. This day belongs to you. Enjoy it and be proud of what you have accomplished.*

*To the family, friends, and loved ones who have supported our students on their journeys, thank you. Thank you for entrusting these students to us and continuing to walk with them. You are and always will be treasured members of our Redhawk family.*

*I hope that you, our graduating students, consider yourselves better for your time at SU. This university most certainly is better for your presence as students, just as we will continue to be enriched by you as alumni.*

*We look forward to all that you will accomplish in your professions and in your communities, and as we celebrate this day, my prayer is that you are filled with profound joy and a sense of purpose.*

*Congratulations again, and in the words of St. Ignatius, the founder of the Jesuits, may you go forth and set the world on fire.*

*Respectfully,*

**Eduardo M. Peñalver, JD**

## ABOUT SEATTLE UNIVERSITY

Founded in 1891, Seattle University is a Jesuit and Catholic university dedicated to educating the whole person, professional formation and empowering leaders for a just and humane world.

Our holistic educational experience embraces each student's individuality and unique lived experiences. It starts with our exceptional faculty and staff, who care passionately about each student. Within and outside of the classroom, Seattle University's students engage in deep learning and rich experiential opportunities that nourish, open and challenge their minds and hearts. From a vibrant and green campus in one of the world's most progressive, high-tech regions, our students are encouraged to not only envision their purpose in life, but to begin making their impact felt. And they do.

"The primary way we live our Seattle University mission is through our students and alumni," says President Eduardo Peñalver. The 90,000+ alumni around the world who call themselves Redhawks are at the forefront of positive change, living out the values of Seattle University, combining innovation with humanity and bringing creative solutions to the world's most pressing and persistent challenges.

Today we welcome you as our newest alumni, and with pride in what you already have accomplished, we anticipate with great hopefulness the difference you will make in your professions and your communities.

## HONORARY DEGREE RECIPIENT UNDERGRADUATE SPEAKER

### Anna Faris

A graduate of Edmonds-Woodway High School and the University of Washington, Ms. Faris has been lauded as one of her generation's most talented actresses. She is renowned for her comedic and dramatic performances in such acclaimed productions as the Scary Movie series, Lost in Translation, Brokeback Mountain,

Just Friends, Smiley Face, and The House Bunny, as well as the television shows Mom and Friends. She stars in the upcoming Spa Weekend. Ms. Faris's 2017 memoir, Unqualified, was a New York Times bestseller. In addition to her successful career, Ms. Faris is a dedicated philanthropist, supporting organizations such as the Global Alliance to Prevent Prematurity and Stillbirth, where she has served on the board, and is a major supporter of the Pacific Northwest Research Institute.

## HONORARY DEGREE RECIPIENT GRADUATE SPEAKER

### Bruce Harrell

Elected in 2021, Mayor Harrell's priorities include, among others, driving innovation, addressing the city's homelessness crisis, and ensuring public safety for all communities. A guiding principle of his mayorship has been One Seattle—creating a city that embraces differences and celebrates commonality. Born and

raised in Seattle, Mayor Harrell is the city's first Asian American and biracial mayor and its second Black mayor. A Garfield High School valedictorian, Mayor Harrell attended the University of Washington on a football scholarship, earning a BA in political science and later a juris doctor from the University of Washington School of Law. He previously served on the Seattle City Council for many years, including multiple terms as president, as well as interim mayor.

## HISTORY OF THE CAP AND GOWN

American academic costume—also known as the **academic regalia or dress**—has its origins in ancient European universities. The caps, gowns and hoods universally worn by faculty and candidates for degrees at graduating exercises are a costume dating back to the 12th century. In medieval days the scholars were clerics who wore long cassocks; the buildings were cold, and capes and hoods were required for warmth.

As colleges and universities were founded in the United States they adopted the three principles of academic dress—gown, hood, and cap—from their European counterparts. Although some common standards and practices were observed, no uniform code or system existed until late in the 19th century, when **three styles of gowns** were adopted: a bachelor's gown, a master's gown, and a doctor's gown. The differences in these gowns are mainly in the cut and shape of the sleeves and in the trimming. The gown worn for the bachelor's or master's degrees has no trimmings. The gown for the doctoral degree has velvet down its front and three bars of velvet across the sleeves in the color distinctive of the faculty or discipline pertaining to the degree.

The **hood** resembles an inverted medieval shield—worn on the back instead of the front of the body. The shell of the hood matches the black or red material of the gown and is lined with satin of the color or colors of the institution conferring the degree. The velvet bordering of the hood is a color reflecting the field of learning to which the degree pertains.

The Oxford cap, an earlier name, was a symbol of privilege worn by freed slaves in ancient Rome; the academic cap today is a sign of the freedom of scholarship and the responsibility and dignity it carries. Old poetry records the cap of scholarship as square to symbolize the book; other authorities claim that the mortar board or cap is a symbol of the masons, a privileged guild.

Prior to the actual conferring of the degree, the tassel is worn over the right eye and once the degree is conferred, the tassel is moved to the left eye.

### THE COLOR FOR EACH FIELD OF LEARNING

Arts, Letters and Humanities - <i>White</i>	Library Science - <i>Lemon</i>
Business - <i>Olive Drab</i>	Medicine - <i>Green</i>

# THE SEATTLE UNIVERSITY SEAL

## HISTORY OF THE SEAL

Seattle University has had a formal seal for more than a century. During this time the seal has evolved through three changes. Each change has increased the impact and clarity of the symbolism of the seal. The seal has also changed to reflect the evolution of the university from Seattle College to Seattle University. The origin of the original seal is not known, but there is some indication that it was designed by the late James Brogan, S.J., pastor of St. Joseph's Church; Father Brogan was instrumental in designing the seal of Gonzaga University as well. Sometime before 1956, the seal was refined by Neil Meany, S.J. The current refinement of the university seal was designed by David Balzer, Seattle University creative director and formally approved by Seattle University President Stephen V. Sundborg, S.J., in July 2003. The current seal was updated to reinforce the Jesuit tradition of Seattle University and to recognize the university's location in the city of Seattle and the Northwest.

## EXPLANATION OF SYMBOLS

### THE EAGLE

*At the top of the emblem is an American bald eagle, from the great shield of the United States.*

### THE TWO WOLVES HOVERING OVER A HANGING POT

*In the upper left quadrant are two wolves (one representing the house of Onaz, the second wolf the house of Loyola) hovering over a hanging pot, the traditional symbol of the generosity of the Loyola family.*

### IHS

*In the top right quadrant of the shield are the letters "IHS," from the first three letters in the Greek spelling of Jesus and of special significance to members of the Society of Jesus.*

### THE NORTHWEST

*In the lower left quadrant of the shield is a stand of western hemlocks, the official state tree of Washington. In the background is the snow-capped peak of Mt. Rainier. This identifies Seattle University with Seattle, the state of Washington, and the Northwest.*

### THE SEVEN RIBBONS

*In the bottom right quadrant are seven diagonal stripes representing the awards for valor made by the King of Spain to the house of Onaz. The wolves and the ribbons of valor are devices common to the official seals of all Jesuit schools.*

### THE "1891" BANNER

*The banner located across the bottom of the seal contains the date of the founding of the university, 1891. This date represents not only the founding, but also the university's long tradition of Jesuit education and academic excellence.*

## THE UNIVERSITY MACE

Historically, the mace was a heavy staff, often spiked, used especially in the Middle Age for breaking armor, in other words, a club used as a weapon. Later it became a staff borne by or carried before a dignitary as an ensign of authority. Ceremonial maces often retain some trace of their war-like ancestry with the spikes giving way to precious metal and jewels. The current Seattle University mace is made of wood with the University seal etched in metal at its tip.
