Consulting

Cascade Bicycle Club (Fall 2024)

Conducted a review of CBC's performance management process, making suggestions for significant process improvements. Created and facilitated an unconscious bias training specific to the performance review process for both managers and employee awareness. Seattle, WA.

Executive Form Consulting (2024- present)

Serve as diversity, equity and inclusion expert for development of large scale DEI consulting proposals.

Jim Morris Consulting (2024- present)

Serve as Senior Consultant to Jim Morris Consulting, which offers equity and inclusion workshops and training for companies.

Delta Dental of Washington & The Acora Foundation (2022)

Workplace Inclusion Workshop, Created and facilitated six workshops for Delta Dental of Washington and Arcora Foundation. The workshop focused on inclusion elements for high performing teams as well as how unconscious bias shows up in the workplace and what individuals can do to reduce bias in their daily actions.

Fresh Consulting (2021)

All Hands meeting, Inclusion and Innovation Workshop for all hands company meeting. The workshop focused on how unconscious bias shows up in the workplace and steps individuals can take to interrupt bias.

Fresh Consulting (2021)

Manager Inclusion Q&A post Inclusion and Innovation Workshop

Rad Powerbikes (2020-2021)

Unconscious Bias Training, Build awareness of the stereotypes, prejudices and unconscious bias that may influence behavior in workgroups. Learn strategies for reducing and responding to unconscious bias at the individual level.

Synapse (2019)

Diversity, Inclusion and Innovation, The workshop focused on why innovation depends on diversity, what gets in the way, and how to develop specific skills that help individuals and groups shift to more inclusive workplaces.

Stevens Pass Ski Area (2016)

Diversity and Inclusion Workshops, how to create high performing organizational culture through specific practices and behaviors for both employees and customer experiences.

Invited speaker

Infinity Club

Panelist for the annual gathering of the Infinity Club at Seattle University. The club offers a safe space for neurodistinct individuals to share experiences and find support. Insights I offered were related to teaching equity and inclusion, specifically around neurodiversity in workplaces, and as a mom of a neurodiverse son. (April 2025).

Sport Fans and Fan Culture: Implications for Leadership

Invited speaker on the changing landscape of fan engagement in sport and implications for leading sport organizations as well as implications for leadership in general. Christopher Newport University. Newport News, VA. (Virtual, September 2024)

Today's Sport Fans: Implications for Sport Leaders

Invited speaker on the changing landscape of fan engagement in sport and implications for leading sport organizations. Christopher Newport University. Newport News, VA. (Virtual, September 2023)

Sustainable Excellence

Invited speaker for Sunriver Rotary Club monthly meeting. Presentation on how skills learned through my Olympic journey translated into skills in developing the MBA in Sport and Entertainment Management program at Seattle University. (April 2023)

Sustainable Excellence

Invited speaker for Windemere Central Oregon's annual retreat. Presentation on how skills learned through my Olympic journey translated into skills in developing the MBA in Sport and Entertainment Management program at Seattle University. (February 2023)

Title IX: History and Impact

Invited speaker for Sounders, FC to discuss the history and impact of Title IX. (Virtual, June 2022)

Women and Sport Leadership

Invited speaker on the ways women in sport leadership navigate the sport sector and perceptions of what leads to success. Christopher Newport University. Newport News, VA. (May 2018)

Sport and Leadership

Invited speaker on two topics: (1) Sport Media and Why it Matters, (2) Sport Experiences and Leadership Lessons. Guest lecturer for Leadership in Sport Course. Christopher Newport University. Newport News, VA. (Sept. 19 & 21, 2017).

Olympic Games and Peace

Invited speaker on how sports can benefit our society and help peaceful coexistence and plan to introduce people from an early age to the value of fair competition in sports as a means to form responsible citizen. Skype Presentation to St. Lawrence High School in association with the alumni association, St. Lawrence Old Boys' Association (SLOBA). Kalkata, India. (Virtual, June 23, 2017).

Collegiate Athletics: The Changing Student-Athlete

Invited panelist to speak to undergraduate and graduate sport business students. Sport Business Summit hosted by Central Washington University. Federal Way, WA. (February, 2017)

Graduate School for Advancing a Career in Sport

Invited panelist representing the role of graduate school for working in sport at the 3rd Annual Storm into Sports Career Fair hosted by Seattle Storm. Seattle, WA. (June, 2016)

Lifestyle Sports, New Technologies & the Changing Sport-Media Relationship

Invited speaker for the Seattle University 2016 Alumni Series, Sports, Media and American Culture. Seattle University, Seattle, WA (May, 2016)

Developing Sport Leadership through Embodiment

LUMS Academy for Women, Diversity and Leadership Invited Speaker at Lancaster University Management School in association with LUMS Academy for Women, Diversity and Leadership. Lancaster, United Kingdom. (February, 2016)

Seattle University Psi Chi Career Night

Invited panel speaker to talk about how psychology plays into my own career as a professor as well as psychology as a major towards a career in sports. (February, 2017, 2016)

Women and Representation in the Film/TV Media

Invited Chair at the International Leadership Association's 17th Annual Global Conference. Barcelona, Spain. (October, 2015)

Generation iY

Invited guest speaker for Seattle University's Athletic department. Who is generation iY, what do they need and how can we communicate with them effectively. (September, 2015)

Leadership

Invited guest speaker for the Management Training Program for Seattle University's Campus Recreation student staff. (April 2015)

Sport Business

Accompanied Dr. Trail to speak to Edmonds Woodway High School's DECA club about sport business, job opportunities and career paths to working in the sport industry. (April 2015)

Graduate School for Advancing a Career in Sport

Invited panelist representing the role of graduate school for working in sport at the 2nd Annual Women in Sports Career Seminar hosted by GNAC. Portland, OR. (2015)

The Challenges and Opportunities for Women Working in Sport

Closing speaker for the 1st Annual Women in Sports Career Seminar hosted by GNAC. Seattle, WA. (2014)

Sports Psychology- Competition Preparation

Invited speaker on how to engage the tools of self-talk and imagery and develop competition plans using those concepts. Guest speaker for the Rat City All-Stars, Seattle roller derby traveling team. (2013)

Sports Psychology

Discussed my personal story and success with mental training with respect to my preparation for the 1992 Olympic Trials and Olympic Games. Then, gave specific steps young athletes could take in their daily training to improve their performances and enjoyment of sport in order to avoid burnout. Guest speaker at The Wellness Fair, The Overlake School, Redmond, WA. (2008)

Sportsmanship

Discussed sportsmanship in terms of the meaning of competition and Huizinga's concept of play. Guest presenter for the Inaugural Billy Richardson Sportsmanship Award, Christ Church Episcopal School, Greenville, SC. (2006)

OTHER PROJECTS

2024 Featured in Seattle University's 'Good Reads: Summertime Edition'
<https://www.seattleu.edu/newsroom/2024/good-reads-summertime-edition.php>

2023 *Equity in Action: A New Paradigm for Increasing Equity in Organizations* | co-authored with Jim Morris, This document is based on data collected over 15 years of doing DEI work in organizations across many different industries. The guide lays out an actionable framework for engaging and supporting DEI through equitable practices, workplace policies and organizational activities. The guide serves as the basis for Jim Morris Consulting's 2 ½ day workshop titled, Equity in Action Executive Accelerator.
