

Hilary L. Lichterman, Ph.D.

Hilary.Lichterman@gmail.com | www.linkedin.com/in/hilarylichterman

SUMMARY OF QUALIFICATIONS

- Strategic leader, collaborator, and facilitator with 21 years of progressive, full-time experience serving at a diverse array of institution types, proactively engaging with senior leadership, faculty, staff, and students to actualize strategic goals and priorities.
- Proven track record of extensive, practical experience leading and supporting strategic vision, strategic initiatives, organizational infrastructure development, student success initiatives, cross-campus collaboration, emergency management, stewardship of resources, workforce engagement, organizational culture, and transformative change.
- Serve as Fellow at the Global Curiosity Institute, bringing curiosity research and practical strategies to individuals and organizations to advance innovation and engagement of strategic priorities.
- Co-author of *The Curricular Approach to Student Affairs: A Revolutionary Shift for Learning Beyond the Classroom*. Maintain service and involvement in higher education professional associations (ACUHO-I, ACPA, NASPA, CUPA-HR).

EDUCATION

Educational Administration in Higher Education Ph.D.
University of South Carolina, Columbia, SC
Cognate: Human Resources & Management
Dissertation: *Organizational Perspective on Implementing the Residential Curriculum Approach: An Ethnographic Case Study*

Student Affairs Administration in Higher Education M.A.
Ball State University, Muncie, IN
Thesis: Self-efficacy beliefs of assistant residence hall directors at Ball State University

Psychology and Spanish for the Professions B.A.
Marquette University, Milwaukee, WI

SELECTED AREAS OF LEADERSHIP & EXPERTISE

Strategic and Administrative Leadership

- Serve as chief housing officer, providing vision, leadership, strategy, and oversight for a comprehensive campus housing and residence life program with a capacity for 2,800 students, 5 leadership members, 5 entry-level staff, 6 graduate staff, and 115 student leaders. The department is the second-largest revenue source for the institution.
- Liaison to Capstone on Campus Management senior leadership and on-site staff to onboard a 430-bed community for Cornish College of the Arts and Seattle University and prepare for full oversight in August 2026.
- Champion and lead relationship development between Student Affairs, Chartwells Dining, and Business Services to strategically integrate campus dining and catering into communications, programs, and campus priorities.
- Co-chair and developer of a Seattle University cross-functional steering committee comprised of nine colleagues representing Academic Affairs and Student Affairs, focused on a campus-wide change initiative dedicated to whole person formation, belonging, retention, and career readiness, and aligned with the campus' strategic plan.
- Lead and champion strategic change initiatives grounded within the institutional context, including scalable initiatives such as the development, implementation, and assessment of learning initiatives, including a residential curriculum on two campuses impacting 8,000 and 2,400 students, respectively, living-learning community, and first-year interest groups. Examples of outcomes and results related to an increase in student and staff sense of belonging, increased gains in GPA and academic achievement, and relationship building among staff and faculty.
- Organizational architect leading change initiatives related to staffing patterns, creating and revising standard operating procedures, and strategic communications with internal and external stakeholders.
- Lead crisis and emergency preparedness and response for the on-campus residential community of 8,000 (USC), 2,400 (SU) in partnership with Associate Vice President & Dean of Students and Public Safety, Assistant Dean of Students, and Vice Provost for Student & Campus Life. Beginning June 2025, inherit duty response for elevated student needs at the Cornish College of the Arts, newly integrated in Seattle University.

Cross-Functional Collaboration and Partnerships

- Contribute as a member of the Seattle University Division of Academic & Student Affairs' Student & Campus Life Senior Leadership Team (since January 2026) and directorate staff (June 2021 to January 2026) by collaborating with peers and senior leadership, and offering resources for practice, to deliver on institution and division strategic priorities regarding student success, learning, retention, belonging, stewardship of resources, and organizational effectiveness.
- Selected as the representative from the Seattle University Division of Academic & Student Affairs' Student & Campus Life Team (SCLT) to serve on the search committee for the Director of the Undergraduate Core Curriculum and the SU delegation for the American Association of Colleges & Universities (AACU) 2023 Institute on General Education and Assessment (IGEA).
- Serve as a member of the university's Coordinated Assistance & Resource Education (CARE) Team and Threat Assessment Team to provide directed support to individual students and the campus community at large.
- Initiate, lead, participate in, and sustain partnerships with faculty, campus staff, and senior leadership to develop and enhance a supportive campus environment for all students regarding student well-being and success, residential revenue and operations management, academic initiatives, and student engagement experiences. The range of partners includes departments and units in Academic Affairs, Undergraduate Admissions, Business Services, Campus Ministry, Center for Student Involvement, Dining Services, Department of Public Safety, Integrity Formation, Office of Community Involvement, Office of the Dean of Students, Office of Multicultural Affairs, Parent and Family Engagement, Orientation Programs, Residence Hall Association, University Recreation, Wellness and Health Promotion, and third-party housing property management.
- Served as an active campus partner during Seattle University's academic advising model revision and implementation. Engaged with colleagues to review proposals to change and evolve practices based on current trends and promising practices in academic advising.

Supervision

- Supervise, coach, and evaluate the performance of full-time staff for 19 years in diverse roles and experience supervising paraprofessionals, graduate, entry-level, mid-level, and rising mid-levels using inclusive supervision approaches.
- Elevate staff satisfaction through training and a people-first approach; drove a staff retention rate of 95% over the past 3.5 years.
- Cultivate talent through individual meetings, leadership, and group meetings, individualized development plans, and advocacy for growth-oriented opportunities.

Budget & Fiscal Management

- Oversee a \$3.5 million operating budget to allocate and align with the departmental mission and strategic priorities.
- Proactively and collaboratively identify revenue generation strategies for housing and residence life programs.
- Align fiscal resources and program outcomes to maximize student satisfaction, belonging, and retention.

Organizational Data and Continuous Improvement

- Served on ACPA–College Student Educators International's Strategic Initiatives Working Council, collaborating on the development of the organization's new strategic plan.
- Engaged in division strategic planning efforts and knowledge used to inform departmental vision and practice.
- Lead, interpret, and apply findings from assessment, evaluation, and research to inform the allocation of fiscal resources, staffing patterns, academic initiatives, staff training and development, and operational excellence.
- Invited by Deputy Provost and Vice Provost of Student & Campus Life to partner with two faculty members to theme and present data from a faculty and staff survey about integration efforts involving Academic Affairs and Student Affairs.
- Subject matter expertise and frequent presenter at local, regional, national, and international conferences and institutes. Invited Student Affairs Certification Subject Matter Expert Contributor.

Teaching, Learning, and Facilitation

- Served as co-chair of ACPA – College Student Educators' Residential Curriculum Institute (2013) and Institute on the Curricular Approach (2022) and faculty member from 2014 to 2023, focusing on student success beyond the classroom and organizational excellence.
- Align campus initiatives, department, unit, and program delivery with adult learning theories, strategic priorities, the mission, and strategic priorities.

- Transform organizations and programs by leveraging data insights, technology, and learning methodologies.
- Substantive experience leading and contributing to professional associations across the terrain of higher education, centering learning and development for diverse stakeholders and organizations. Presented 80+ educational sessions at local, regional, national, and international conferences and authored 10 publications.

PROFESSIONAL EMPLOYMENT

Executive Director, Housing & Residence Life & Practitioner Faculty August 2025 – Present

- Serve on Student & Campus Life Senior Leadership Team (Jan. 2026)

Director, Housing & Residence Life and Practitioner Faculty June 2021 – August 2025
Seattle University – Seattle, WA

Selected Accomplishments

- Invited by executive and senior leadership for institutional visioning and strategic initiatives for student success.
- Partnered with the Seattle University Advancement colleagues and Resident Assistant alumni to create a student leadership fund to increase mental health training, scholarships for student hardships, and recognition of student leaders, which recently reached endowed status.
- Invited to serve as faculty for the Student Development Administration graduate program. Teaching experience is outlined later in the resume.

Senior Associate Director of Residence Life, University Housing October 2020 – June 2021
University of South Carolina – Columbia, SC

Selected Accomplishments

- Served as a trusted advisor to the entering director and in the continued onboarding of the executive director of the department. Communicated on insights about campus partnerships, departmental practices, data insights, campus strategic priorities, and vision setting for the Residence Life unit.
- Contributed to the revision of department-wide standard operating procedures regarding various emergency procedures.

Interim Director of Residence Life, University Housing January 2020 – June 2020
University of South Carolina – Columbia, SC

Selected Accomplishments

- Co-author of the 2020 book *The Curricular Approach to Student Affairs: A Revolutionary Shift for Learning Beyond the Classroom*. Core areas of focus include learning and development for student success, assessment and evaluation, organizational excellence, and leadership.
- Developed staff, strategic planning, and resource development to foster student and staff safety and well-being, fiscal responsibility, and contingency planning. Supported the Residence Life Leadership team in navigating changes per COVID-19. Represented the Residence Life unit at weekly University Housing Directors' meetings, University Behavioral Intervention Team, Interpersonal Violence Committee, and with campus partners.

Associate Director of Residence Life, University Housing October 2013 – October 2020
University of South Carolina – Columbia, SC

Selected Accomplishments

- Led the unit of 40 full-time staff, 15 graduate students, and 320+ student leaders in the design, implementation, and assessment of a paradigm shift to actualize the departmental mission and strategic priorities.
- Initiated and led the development of the "Communicable/Infectious Diseases & Health Concerns" protocol in 2018 for the University of South Carolina's Residence Life unit and collaborated with student health professionals and departmental leadership.
- Served as chair of the cross-functional Communications Task Force charged with diagnosing communications patterns, challenges, and opportunities within a comprehensive department including 7 departments and 500+ full-time staff.

Associate Director of Residential Learning Initiatives, University Housing July 2010 – October 2013
University of South Carolina – Columbia, SC

Selected Accomplishments

- Established University Housing presence, beginning in 2011 and sustained through my departure in 2021 at University New Faculty Orientation at the University of South Carolina.
- Led multifaceted approach to infrastructure changes to staff roles, budget allocations, and unit-wide practices to develop new learning initiatives to benefit 8,000 residential students, 40-full-time staff, and 15 graduate students.

Area Coordinator, Residential Life

University of Missouri-Columbia, Columbia, MO

June 2007 – June 2010

Residence Life Coordinator, Residential Life

University of Missouri-Columbia, Columbia, MO

July 2004 – June 2007

UNIVERSITY SERVICE
