

WELCOME TO SEATTLE UNIVERSITY

Dear Rudy,

On behalf of the Orientation team, congratulations on choosing Seattle University as your home for the coming years! As you begin your journey to becoming a Redhawk, Orientation Programs will be alongside you each step of the way. Read on to learn more about what to expect from your Orientation!

WHAT IS ORIENTATION?

Orientation is a hybrid experience that includes online tasks, virtual workshops, and in-person events on campus. The purpose of orientation is to provide you with the tools needed for a successful transition to college life at Seattle University.

THE ORIENTATION PORTAL

Your Orientation Portal is a central hub for navigating your transition to college! Here's where you can:

- Complete your Course Preference Form and [meet with your academic advisor](#) to get your schedule for your first college classes!
- RSVP for virtual events like Redhawk Roundup and in-person events like Redhawk Launch! Visit the [Summer Orientation](#) and [Redhawk Launch](#) websites to learn more!

NEW STUDENT CHECKLIST

The New Student Checklist is a list of required tasks you must complete before classes start in September.

- **Items with a yellow star next to them are high priority and are recommended for you to complete before the deadline.** Deadlines are listed next to each checklist item in your Orientation Portal.
