

## 2025 Intern Agreement

By checking the box below, you (hereafter referred to as the "Registrant") agree to the following Terms and Conditions, also referred to herein as the "Agreement". Additionally, the Registrant agrees to all other terms, conditions and fees outlined in this registration process.

The Registrant has completed the online reservation request form truthfully to the best of their knowledge. Seattle University does not store passwords and so will not be held responsible should any sort of identity theft occur. Seattle University will never give any personal information to any third-party entity without the Registrant's express written consent.

**Pending Request:** The Registrant's online reservation request will be held as "Pending" until payment is received in full by Seattle University. If full payment is not made online at the time the registration is submitted, it may be made online any time up to and including the check-in date, or payment may be made via check or money order. These types of payments must be made out to "Seattle University" and may be mailed in advance to:

Intern Accommodations  
c/o Event Sales  
Seattle University  
901 12th Avenue  
P.O. Box 222000  
Seattle, Washington 98122

Credit or check payments will be accepted at the front desk prior to check-in. Cash payments can be accepted only by appointment. **Payment in full must be received before the Registrant is allowed access to the room.**

**Room Rate:** The Registrant agrees to pay the applicable rate. Payments must be made in advance of arrival or at check-in. Except as otherwise provided by Seattle University policy, once the date 30 days prior to the Registrant's check-in date arrives, the Registrant is liable for the applicable rate for the entire Agreement, regardless of whether the Registrant checks in and/or remains in the unit for the entire Agreement.

**Eligibility:** To be eligible for residency in one of the Seattle University-owned residences, the Registrant must be at least 18 years of age at the commencement of occupancy. The Registrant must also be enrolled in an institution of higher education, and be participating in an internship program.

**Room Assignment:** Seattle University reserves the right to determine room assignments, and to change any Registrant's room assignment for reasons determined necessary by Seattle University. If double occupancy accommodations are requested, then the Registrant must have a specific and mutually requested roommate. If no such roommate is listed, then Seattle University will either assign a roommate to the Registrant, or the Registrant may opt for single occupancy housing. If the Registrant chooses single occupancy housing, the Registrant will pay appropriate charges for single occupancy housing.

**Common Area Space:** Some bathrooms, lounges, recreation rooms, kitchens, computer labs, and hallways are shared by residents and are for the use of all residents of the building or complex. Registrants must be considerate of fellow residents in the use of the spaces. No personal property should be left in a public area (lobby, lounge, bath, etc.). The Registrant agrees they shall be responsible, on a pro-rated basis, for any malicious damage and/or excessive, additional, or non-routine cleaning that occurs within their assigned housing common areas/spaces (e.g., main lobbies, floor lounges, study rooms, kitchens, community restrooms, etc.). Community damages will only be assigned or shared when Seattle University is unable to determine the person(s) at fault for the additional charges.

**Visitors:** Cohabitation is not permitted in Seattle University accommodations. The Registrant agrees to not allow any other person(s) to remain overnight in their unit for more than three (3) nights. Allowing a guest to stay longer than three (3) nights without prior written consent from Seattle University will result in additional lodging and penalty charges being assessed to the Registrant as well as possible additional consequences. Minors (individuals who are under 18 years of age) who are not participants in a Program that has contracted with or sponsored by Seattle University may not stay in campus accommodations, even as guests.

**Reasonable Accommodations:** The University administers decisions regarding room assignments without regard to race, color, religion, national origin, sexual or political orientation, disability, or veteran status. With advance notice, Seattle University may make reasonable accommodations in housing for Registrants with disabilities.

**Check-In Locations:** Registrants are assigned to reside in their assigned campus residence; check in may take place at a different location. The standard residence hall location is: Xavier Global House: 1110 E. Spring Street, Seattle, Washington. The Archbishop Thomas Murphy Apartments are at 1001 East James Way, Seattle, Washington. The Teilhard de Chardin Deluxe Residence Hall rooms are at 1020 E. Jefferson Street, Seattle, Washington. The Yobi Apartments are at 1219 E. Marion Street, Seattle, Washington, 98122. (Note: these are the physical locations of the residences only; **none of these** are the mailing address for Seattle University or for interns to receive mail.)

## **Check-In and Check-Out Time**

Check-in is after 3 p.m. on assigned check-in day.

Check-out is by 10 a.m. on assigned check-out day.

Registrants will be subject to a \$25.00 late fee in the event they do not vacate their room before 10 a.m. on their check-out date unless they have prior written approval from Seattle University. If they have not vacated by 5 p.m. on their check-out day, they will still be required to vacate the premises and also will be charged for a night's lodging in addition to the late fee.

**Minimum Meal Requirement:** There are no meal requirements for summer 2025.

**Dining Facility:** Food service may be offered in the Student Center or at other open venues on the Seattle University campus (for example, The Side Bar in Sullivan Hall). Information about dining facilities and hours will be provided. Registrants are welcome to purchase food but have no requirement to do so.

**Room Key:** Upon check-in the Registrant will receive a key to access their assigned room. The Registrant is responsible for this key and any fees associated with the loss or replacement of the key. The Registrant agrees to pay for any unreturned or improperly returned room keys at a rate of \$200.00 plus tax per key for standard residence hall rooms and apartments, and \$300.00 per key plus tax for any apartment key. Improperly returned keys include those left in residence hall rooms at the time the Registrant vacates the room.

**Guest Card:** The University will provide a Seattle University Guest Card for the Registrant with building access programmed onto the Card. A Guest Card can be used to access the assigned residence and other campus buildings as needed; apartments will have an additional access card for their building access. Each card will be programmed with the unique access of each Registrant. Cards are non-transferable and should be reported immediately if lost or stolen. Fees will be assessed to replace lost or stolen cards.

**Doors (Obstructing Locking Mechanisms):** To ensure safety and security of Registrants and guests and their belongings, Seattle University has residence doors which automatically lock. Therefore, it is prohibited to use an object to cover and/or obstruct the door locking mechanism as this increases the risk of damage, theft, and/or assault.

**Doors (Propping, Designated Entrances/Exits):** Doors within the residence halls play a primary role in building/resident safety by preventing access by non-residents and by enhancing fire control/containment capabilities. Residents must carry their keys and Guest Card with them at all times. Do not prop open corridor, stairway, or exterior doors. It is strictly prohibited to open a secured exterior door for any purpose, to force open a secured door, to use an emergency exit

when no emergency condition exists, and/or to tamper with/alter a door lock. All residents and guests must use designated entrances/exits as directed/designated.

**Parking:** A valid permit must be purchased for all times a Registrant's vehicle is parked in campus lots. Permits may be obtained upon request; the Registrant must provide the accurate number and state/province of the vehicle's license plate. All vehicles that are parked in campus parking areas must park only in areas designated by Seattle University. Seattle University is not responsible for loss, theft, or damage to vehicles or their contents. Therefore, the Registrant should not leave valuable personal property in their vehicle while it is parked in a Seattle University parking area.

**Bicycles:** Bicycles may be stored in the Registrant's apartment or any unshared bedroom, or with a roommate's approval, in their residence hall room or apartment. Bicycles may not be stored in hallways or other common areas within the halls such as floor lounges, stairwells, laundry rooms and kitchen areas. For safety reasons and to meet State and local fire codes, bicycles must not be attached to stairways or entry/exit areas. Bicycles located outside the buildings on Seattle University property may be locked only to designated bicycle racks.

**Hoverboards:** Due to fire/life safety risk, hoverboards (battery-operated self-balancing scooters) are not permitted to be in/on Seattle University affiliated property including intern housing facilities.

**Fees:**

- The Registrant agrees to pay for any replaced Guest Cards at a rate of \$25.00 + tax per card.
- The Registrant agrees to pay for any replaced Yobi access card at a rate of \$25.00 + tax per card.
- The Registrant agrees to pay the University \$50.00 per incident or item plus any actual costs of repair or replacement if the Registrant or a guest of the Registrant damages or vandalizes University property.
- The Registrant must pay up front for necessary associated charges.
- The Registrant understands that charges may include, but are not be limited to, housing fees, cancellation fees, fines for conduct violations, reimbursement of damage costs, and fees for lost keys or cards.

**Refund Policy:** Cancellation requests must be made **at least 30 days prior to the Registrant's check-in date**. If a cancellation request is received at least 30 days prior to the Registrant's check-in date, Seattle University will refund the Registrant's fee, less a \$150.00 processing fee.

***If a cancellation request is not received at least 30 days prior to the Registrant's check in date, no refund will be issued by Seattle University and the Registrant will be responsible for the full rental fee, regardless of the reason for cancellation.*** By way of example, if a Registrant's check-in date is June 30, 2025, and they send a cancellation request on June 1, 2025, they will not be refunded and will owe Seattle University the full rental fee. However, if the same Registrant sent requested cancellation on May 31, 2025, they would be refunded any prepaid fees, minus the \$150.00 processing fee.

***Additionally, the check-in and check-out dates may not be changed on or after the 30-day cancellation deadline without written permission from Seattle University.*** Therefore, in the foregoing example, the Registrant could not change their check-in or check-out date after May 30, 2025.

Refund requests must be submitted in writing or via email to:

- (1) making necessary or agreed-upon repairs;

**Termination:** The University reserves the right to terminate this Agreement and the Registrant's residency because of improper or unsafe conduct by the Registrant or Registrant's guests, or failure of the Registrant to comply with any term or condition of this Agreement. Seattle University's termination of this Agreement does not release the Registrant's obligation to pay the room rate for the full period of this Agreement. The Registrant shall vacate the residence within 24 hours of being notified that this Agreement is being terminated or initiating procedures for withdrawal from his/her internship.

**Animals:** Animals are generally prohibited in all campus buildings. Exceptions to this general prohibition include animals that qualify as "service animals" under the Americans with Disabilities Act and animals considered "emotional support animals" under the Fair Housing Act. Animals that qualify as "service animals" under the Americans with Disabilities Act are generally allowed in campus buildings. Animals that qualify as "emotional support animals" are generally prohibited from

all campus buildings, with the limited exception that they may be allowed in campus residences in certain circumstances as a reasonable accommodation for a disability. "Service animals" and "emotional support animals" must meet all requirements for such animals under the law Seattle University policy, including appropriate documentation from a healthcare provider explaining the need for the animal as well as appropriate documentation regarding the animal's training and health history. The Registrant must obtain permission in writing in advance of check-in if planning to bring any animal on campus. For information on requirements for bringing Service and Emotional Support Animals to campus, please visit our website <https://www.seattleu.edu/event-sales/event-information-and-faq/> and search for "Emotional Support Animals on Campus."

**Fire Response, Equipment & Alarms:** Registrants and their guests are required to evacuate the building when an alarm sounds. Evacuations should be executed via the instructions posted in all hallways and stairwell doors. Evacuations will occur through stairwells only as elevators will be shut down when a fire alarm is activated. Fire sprinklers are installed in all residence halls to provide protection from fire and property loss. Tampering with fire sprinklers, which includes hanging objects from pipes or sprinkler heads, places the residence hall at risk and is prohibited.

**Open Flame, Candles, and Flammable Items:** Due to the risk of fire, burning candles, incense, and other open flame items are prohibited in residence rooms and common areas. The smoke and smell created by burning these objects may also pose a health concern for many residents. Candles, even unused and intended as decoration, are prohibited in residential communities. Fireworks and explosives are also prohibited due to the risk of fire and injury.

Violations of the Standards of Conduct by the Registrant may result in termination of this Agreement and the Registrant's internship, without the Registrant being afforded the hearing and appeal processes described in Code of Student Conduct Section 3.

**Compliance with Directions:** The Registrant must comply with the terms of any disciplinary sanction or interim measures imposed in accordance with this Agreement, and must comply with the directions of a Seattle University official. **Use of Seattle University premises:** It is prohibited to use Seattle University premises in connection with any non-University business venture.

**Persons with Disabilities:** Seattle University's facilities comply with all applicable laws, including the Americans with Disabilities Act, which require reasonable accommodation of persons with disabilities. The Registrant is responsible for notifying the University of any requests for reasonable accommodation that would require modification of Seattle University facilities. Such notification must be made at least six (6) weeks in advance of check-in so that Seattle University can consider the request, determine whether the requested modification constitutes a reasonable accommodation or creates an undue hardship, and can enter a dialogue regarding the requested accommodation, if necessary. Not all campus facilities are equipped to accommodate individuals with special needs. Seattle University reserves the right to assign persons needing special accommodations to appropriate facilities that may be separate from others utilized by the Registrant. If notice is not provided by the deadline, the University may not be able to accommodate requests for special accommodations.

**Special Dietary Needs:** Any Registrant who purchases a meal plan must, by 21 days prior to check-in, provide to Seattle University, in writing, a list of special dietary needs for University-prepared food.

**Responsibility During Emergencies:** The Registrant should be prepared for the handling of an emergency and will take full responsibility of all personal needs and safety issues. The Registrant agrees that they will be responsible for isolating or quarantining if they become symptomatic, are exposed to, or are confirmed COVID-19-positive.

**No Assignment:** The Registrant may not assign their rights under this Agreement to any other persons or entities. Nothing in these Terms and Conditions is intended to imply any partnership, joint venture, or other association between the University and the Registrant. The Registrant is not affiliated in any way with the University, and the Registrant has sole responsibility for the content and conduct of their activities on the University campus.

**Indemnification:** The Registrant assumes full responsibility for any damage beyond reasonable wear and tear to, or cleaning beyond a reasonable amount in any facilities used by the Registrant. In addition, the Registrant agrees to indemnify, defend, and hold harmless Seattle University, its trustees, officers, agents, and employees, past, present and future, from any and all claims, costs, liabilities, or damages (including attorneys' fees and costs) for or on account of any personal or bodily injury to or death of any persons, or damage to property, caused in whole or in part by the acts or omissions of the Registrant, their guests, or invitees.

The Registrant acknowledges that the University's health-related policies may change during the time period between the execution of this Agreement and the end date of Registrant's stay in Seattle University accommodations, and the Registrant agrees to be bound by policies in effect while residing in Seattle University accommodations. The Registrant acknowledges that the public health environment evolves from week to week, and that before the check-in date Seattle University may require the Registrant to adopt additional safety measures as a condition for staying in Seattle University accommodations.

Seattle University will endeavor to notify the Registrant of any additional measures the Registrant must adopt in advance of the check-in date, but cannot guarantee that it will be able to notify Registrant in advance of all additional precautionary measures.

**Application of Washington Law:** The Registrant acknowledges and agrees that Washington law applies to the interpretation and enforcement of this Agreement, and that King County, Washington will be the venue for any legal proceeding that may arise in connection with this Agreement.

**Attorney Fees and Costs:** The parties agree that the prevailing party in any suit or proceeding brought to enforce or interpret this Agreement will be entitled to recover its reasonable attorneys' fees and costs.

**Registrant Property:** Seattle University assumes no responsibility for any property of the Registrant that is lost, stolen, damaged, or destroyed in or on Seattle University facilities or property at any time, including periods when the Registrant is not in occupancy. The Registrant is encouraged to explore the option of rental insurance to cover the value of their property during the duration of their stay.

**Prohibition of Activities:** Seattle University does not permit the use of any of its facilities for any commercial purposes. Solicitation and gambling are expressly prohibited.

**Failure to Comply or Pay:** If the Registrant fails to make timely payment of all or any part of assessed charges, the Registrant will be liable to Seattle University for all costs (including reasonable attorneys' fees) Seattle University incurs in pursuing collection against the Registrant. The Registrant understands and agrees to these terms and accepts as the Registrant's personal responsibility any debt arising in connection with this Agreement.

**Release of Claims Form: REGISTRANT HEREBY RELEASES, WAIVES, DISCHARGES, AND COVENANTS NOT TO SUE SEATTLE UNIVERSITY, ITS GOVERNING BOARD, AND ITS TRUSTEES, OFFICERS, AGENTS, EMPLOYEES, AND ASSIGNS, PAST, PRESENT AND FUTURE, FOR ANY LOSS, DAMAGE, INJURY, ACCIDENT, OR ILLNESS, INCLUDING COVID-19, THAT MAY BE SUSTAINED BY ME OR BY ANY PROPERTY BELONGING TO ME , WHETHER CAUSED BY THE NEGLIGENCE OR CARELESSNESS OF SEATTLE UNIVERSITY AND/OR ITS AGENTS, EMPLOYEES, OR REPRESENTATIVES, OR THE NEGLIGENCE, CARELESSNESS, OR WILLFUL ACTS OF ANY OTHER REGISTRANT. I acknowledge and understand that my residing in Seattle University accommodations is

voluntary and not required. I understand that conditions, including but not limited to accommodations, food, recreational equipment and activities, may not meet the standard my home state, town, or city. These can include, among other risks: unfamiliarity with different food; surroundings, or safety practices; injury or damage commonly associated with urban traffic; intentional and negligent acts by other participants, facilitators, staff, or instructors; loss or destruction of property; injury or damage resulting from falls, fire, or recreational activity; and/or criminal activity that can occur in an urban setting. In addition, Participants may be exposed to COVID-19, and language, pictures, opinions, and/or behaviors that are not present in non-campus settings.

At or before check-in, Registrant must complete and sign an independent Release of Claims form. Nevertheless, the foregoing release and covenant not to sue Seattle University shall apply and be effective regardless of whether the Registrant completes the Release of Claims form.
